Annex 2 – Consent to use personal data

Information in accordance with the D.Lgs 196/2003 – Code on personal data

Purposes of the processing

In accordance with the section 13 D.Lgs. n.196/2003 the provided data will be processed in the necessary measure and for the purposes connected to the enrollment and the attendance to the training course.

Methods of processing and subjects involved

The processing will be done both manually and by computer. The data may be communicated to institutions or public and private authorities if strictly necessary for the scope of the teaching activities of the course.

Nature of the provision of the data and consequences of a potential refusal

The provision of the data is mandatory, and the potential refusal of the provision involves the impossibility of the enrollment in the course and the management of the connected procedural activities, as well as the teaching activities.

Holder and supervisor of the processing

The holder of the processing of the data is the Università degli Studi di Foggia represented in person by its pro tempore legal representative, the Magnifico Rettore, domiciled for the role at the university's headquarters. The supervisor of the processing is the Director of the Training Course.

Section 7 d.lgs. 196/2003 - Right to Access Personal Data and Other Rights

- The data subject shall have the right to be informed

- a) of the source of the personal data;
- b) of the purposes and methods of the processing;
- c) of the logic applied to the processing, if the latter is carried out with the help of electronic means;
- d) of the identification data concerning data controller, data processors and the representative designated as per section 5 paragraph 2;
- e) of the entities or categories of entity to whom or which the personal data may be communicated and who or which may get to know said data in their capacity as designated representative(s) in the State's territory, data processor(s) or person(s) in charge of the processing.

- The subject shall have the right to obtain

- a) updating, rectification or, where interested therein, integration of the data;
- b) erasure, anonymizing or blocking of data that have been processed unlawfully, including data whose retention is unnecessary for the purposes for which they have been collected or subsequently processed;
- c) certification to the effect that the operations as per letters a) and b) have been notified, as also related to their contents, to the entities to whom or which the data were communicated or disseminated, unless this requirement proves impossible or involves a manifestly disproportionate effort compared with the right that is to be protected.

- The subject shall have the right to object, in whole or in part,

- a) on legitimate grounds, to the processing of personal data concerning him/her, even though they are relevant to the purpose of the collection;
- b) to the processing of personal data concerning him/her, where it is carried out for the purpose of sending advertising materials or direct selling or else for the performance of market or commercial communication surveys.
